For Immediate Release

Fab Owners Association Membership Reaches 63 Members

LUBBOCK, Texas (November 8, 2010) The Fab Owners Association (FOA) and the Fab Owners Purchasing Partners, Inc. will host the fourth quarter 2010 Meeting on November 10th-11th at X-Fab, 2301 North University Avenue, 79415. The FOA is an international, nonprofit, trade association founded in 2004 and headquartered in Cupertino, California. This will be the first time the association has met in Lubbock. In September, the FOA, the association of semiconductor device manufacturing executives and suppliers, announced that it reached 63 members with the addition of several new members.

“Our mantra of seeking and sharing semiconductor manufacturing efficiencies through collaboration continues to pay dividends for our member,” said L.T. Guttadauro, executive director of the FOA. “Device manufacturers are attracted by the level playing field we provide, manufacturing benchmark studies and our aggregate purchasing programs. Associate members are attracted by the growing marketing opportunities presented through their membership.”

The members will be introduced to the X-Fab facilities in Lubbock and will be able to experience local attractions including the Rawls Golf Course and Cagle Steaks.

For more information, please contact L.T. Guttadauro, Fab Owners Association, at 408.725.7127 or LT@waferquote.com.
